Big Sky Trapshooting President's Welcome Letter

On behalf of the BSTA Board of Directors, we are pleased to welcome you to the 2026 Montana State Trapshooting Championships, April 23-26, 2026. We are excited to have you with us for another weekend of competition and camaraderie.

Last year marked a historic milestone-the first Montana State PITA Shoot in 78 years-and the turnout and support from shooters from Montana, California, Idaho, Oregon, Washington, and Canada exceeded all expectations. The energy and participation made it a truly memorable event. Take a moment to recognize last years winners and champions on page 4 & 5.

I want to extend a sincere thank you to our sponsors, advertisers, volunteers and the club, whose support makes this State shoot possible.

We listened closely to your feedback and have made several improvements to the 2026 program. Some of them include start times, options, and more Skrap.

I look forward to seeing you all at the shoot. Have fun and shoot well.

On behalf of the BSTA Board of Directors,
Jacob Ohonich, BSTA President

Libby President's Welcome Letter

Welcome fellow trap shooters and your families,

The Libby Scatterguns are excited and honored to be able to host the PITA State Shoot in Montana again this year.

We are working hard to put together a shoot that lives up to the caliber a state shoot should be. You will find we have a great bunch of volunteers that run our club with all donated time and money. We are all dedicated to the clay target sports and want to make this a successful endeavor. Our goal is to throw great targets and provide a welcoming atmosphere for all of the participants and their families. We hope you enjoy our facilities and help us make this a successful shoot.

There will be meals available all weekend long with a featured steak dinner Saturday night, please let us know in advance if you're interested in the dinner.

I would also like to thank all of those sponsors for their generous contributions to this shoot. Please thank them by visiting them and letting them know how much we appreciate their support.

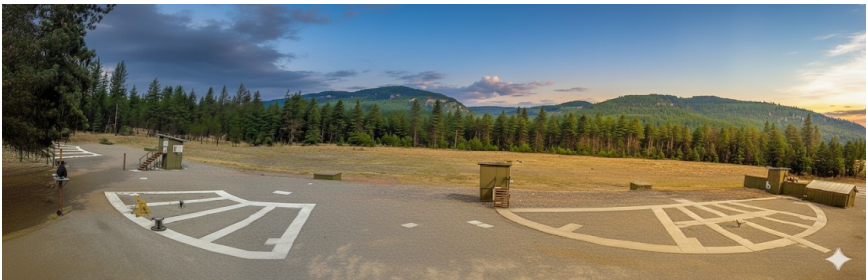

We have a great facility with four registered trap fields and we use Pat Traps in each of them and offer dry camping to anyone participating in this event.

Good luck to all the shooters and enjoy our hospitality and all the beauty of the Libby area.

Sincerely,

Mike Cirian,

Libby Scatterguns Libby President & BSTA Board Member
