Quorum		The Chair notes that the current BSTA Bylaws provide in Article IV, Section 3(b)(2) that quorum for a Special Meeting of the Membership involving bylaw amendments is determined by reference to Article VII, Section 2(a)(2). However, Article VII, Section 2(a)(2) establishes the notice requirements for proposed bylaw amendments at a Special Meeting and does not independently establish a quorum requirement. Accordingly, the Chair finds that the current Bylaws are ambiguous with respect to quorum for this duly noticed Special Meeting of the Membership. Pursuant to the Chair's authority to conduct the meeting and Article IV, Section 4 adopting Robert's Rules of Order where applicable, the Chair rules that the meeting may proceed with the Committee members and eligible voting members present. This ruling shall be entered into the official minutes.	President
